+	Public Safety Entity may have negotiated discounts to the pricing shown in the table. If available, the discount will appear as a monthly credit on Customer's bill.			
*	FirstNet Mobile - Responder Plans are also available for use on the AT&T commercial core, rather than on the FirstNet Evolved Packet Core. Customer may use their FirstNet Mobile plan on the AT&T commercial core only if Public Safety Entity is extensively using the AT&T commercial core. Customers using the AT&T commercial core will have different coverage and network capabilities than customers using the FirstNet Evolved Packet Core; for example, First Priority™ is only available on the FirstNet Evolved Packet Core. Customers using the AT&T commercial core may be required to migrate to the FirstNet Evolved Packet Core at an appropriate time. See Important Information: AT&T Commercial Core on page 3 of the AT&T FirstNet Solution Product Brief located in the Pricing Section of the AT&T FirstNet Solution Service Guide for details on coverage and capabilities.			
**	Each qualified Subscriber Paid User is limited to one FirstNet Mobile - Responder Plan.			
***	Prices after \$20.00/month. plan discount, which requires a smartphone purchased at full price, purchased with a qualified installment agreement, bring your own, or on a month-to-month term. If Customer qualifies, discount will appear as a credit on Customer's bill. If Customer's smartphone is on a 2-year agreement, Customer's monthly service charge is \$48.50/month for the 2GB plan and \$61.00/month for the 5GB plan.			
<FMFP>	Net monthly service charge after \$8.01/month discount, which will appear as a monthly credit on the Subscriber Paid User's bill.
